

**2010 CONFERENCE ANNOUNCEMENT
THE THIRD VIKTOR FRANKL ANNUAL MEMORIAL INTERNATIONAL
LECTURE/CONFERENCE/WORKSHOP IN NIGERIA**

In the light of Viktor Frankl's immense contributions in the field of psychology, wherein he emphasized courage and fortitude as vital attributes of the human spirit, which is a characteristic constituent of human existence, the Nigerian Logotherapy Study Groups has put together this lecture in his memory, as part of global activities to celebrate his 105th birthday.

In the same vein, the Nigerian Logotherapy Study Group (NLSG) will be hosting many scholars in different fields who had utilized the concept of logotherapy in their respective studies to come and present their current findings in the proposed year 2010 conference or lecture or workshop on Viktor Frankl's logotherapy on the occasion of his 105th birthday 25th – 27th March 2010 where presentations would be made by many researchers.

The Theme of the year 2010 conference is “contemporary issues in logotherapy”. The choice of this theme is particularly related to the growth and advancement of psychotherapies in Nigeria, and Africa in general. Therefore, we are inviting all interested scholars to present their current research studies on logotherapy. Kindly send your abstracts with the papers before October 30, 2009 to the PRO, NLSG, c/o Department of Psychology, Faculty of the Social Sciences, University of Ibadan, Ibadan, Oyo State, Nigeria, Henry Fasan <ahfasan@yahoo.com> or as an attachment to benosang@yahoo.com. For this conference, many important dignitaries have been invited and are currently being expected from outside the country.
